Notes:

* Goal in the Department of Ecology's 2025-30 Strategic Plan (<https://ecology.wa.gov/about-us/who-we-are/strategic-plan/2025-30-strategic-plan>).

¹ Model Toxics Control Operating Account (23P-1, 23P-7), Model Toxics Control Stormwater Account (23R-1).

² Reflects maintenance level (ML) adjustments provided by Ecology to the Office of Financial Management (OFM) with its 2025-27 operating budget request. These planned adjustments had been discussed with both OFM and legislative fiscal staff.

³ Reflects statewide maintenance level (ML) and policy level (PL) items, including adjustments for archives/records management, state data center, legal services, audit services, workers' compensation, pension and PEBB rate adjustments, and central services (GOV, OFM, DES, WTS).

⁴ Reductions to balance to available Climate Commitment Act (CCA) revenue, as of December 2024.

⁵ Reflects adjustments proposed by Gov. Ferguson in February 2025.

⁶ Removes "bridge" funding provided to begin implementation of the Refrigerant Management Program.

⁷ Funding for an ongoing interagency agreement (IAA) between the Governor's Salmon Recovery Office (GSRO) and Ecology is shifted into the Recreation and Conservation Office's budget to support the GSRO operations and mission.

⁸ One-time fund shift from General Fund-State (001-01) to the Waste Reduction, Recycling, and Litter Control Account (044).

⁹ Reflects a fund shift of \$826,000 from General Fund-Federal (001-2) to Radioactive Mixed Waste Account (20R-1).

¹⁰ One-time increase in available tribal capacity funding to allow projects started after January 2025 to continue to completion.

¹¹ General Fund-Federal appropriation to support increased federal funding applied for and/or received by Ecology through the Bipartisan Infrastructure Law (BIL) and Inflation Reduction Act (IRA).

¹² General Fund-Private/Local spending authority to support settlement funding received from developers of a large warehouse facility in South Tacoma to reduce air quality impacts on nearby communities.

¹³ Funding is provided for a general wage increase of 3%, effective July 1, 2025; a general wage increase of 2%, effective July 1, 2026; and targeted job classification base range increases for represented employees.

¹⁴ Funding is provided for a general wage increase of 3%, effective July 1, 2025, and a general wage increase of 2%, effective July 1, 2026, for non-represented employees.

¹⁵ Funding is provided for targeted job classification base range increases for non-represented employees.
