

Brand Association List

Below is the list of brands used in the 2022 Tier Assignment Schedule for Washington’s Electronic Product Recycling Program. Brands are associated with the responsible manufacturer. The manufacturers listed are those Ecology has identified as the brand owners of electronic products covered by this program (computers, monitors, laptops, televisions, portable DVD players, and tablets).

Is Your Registration Up to Date?

- Manufacturers who own additional brands of covered electronic products not currently registered **must** add those brands to their registration.
- Brand owners of covered electronic products that are not on this list **must** register as a new participant.
- Access your registration by going to our [webpage for manufacturers](#) and clicking “Submit my annual registration.”
