

**REVISED Table 1:  
Requirements for a Section 401 Water Quality Certification Request**

**Summary of 40 CFR 121.5(b)**

| <b>Individual license or permit (121.5(b))</b>                                                                                                                                                               |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Identify the project proponent(s) and a point of contact;                                                                                                                                                    |
| Identify the proposed project;                                                                                                                                                                               |
| Identify the applicable federal license or permit;                                                                                                                                                           |
| Identify the location and nature of any potential discharge that may result from the proposed project and the location of receiving waters;                                                                  |
| Include a description of any methods and means proposed to monitor the discharge and the equipment or measures planned to treat, control, or manage the discharge;                                           |
| Include a list of all other federal, interstate, tribal, state, territorial, or local agency authorizations required for the proposed project—including all approvals or denials already received;           |
| Include documentation a pre-filing meeting request was submitted to the certifying authority at least 30 days prior to submitting the certification request;                                                 |
| Contain the following statement: “The project proponent hereby certifies that all information contained herein is true, accurate, and complete, to the best of my knowledge and belief;” AND                 |
| The following statement: “The project proponent hereby requests that the certifying authority review and take action on this CWA 401 certification request within the applicable reasonable period of time.” |
