Purpose: On July 30, 2019, the Department of Ecology (Ecology) adopted an emergency rule - Chapter 173-443 WAC Hydrofluorocarbons (HFCs) to establish a program to implement and enforce the requirements of chapters 70.235, 70.94, 19.27 and 39.26 RCW (see Chapter 284, Laws of 2019 - Engrossed Second Substitute House Bill 1112) related to reducing greenhouse gasses by transitioning to the use of less damaging HFCs or suitable substitutes.

This second emergency rule supersedes the one filed on July 30, 2019, WSR 19-16-059 and will be effective through March 20, 2020. Ecology will continue to adopt emergency rules until the permanent rule goes into effect by the end of 2020. No rule changes were made during this second emergency rulemaking.

The first emergency rulemaking established Chapter 173-443 WAC, Hydrofluorocarbons (HFCs) and established the means by which manufacturers, importers, and distributors of various products and equipment containing HFCs submit an initial notification by December 31, 2019, and status update notifications within 120 days when additional restrictions take effect.

The restriction deadline for the new and existing vending machine end-use category was modified from January 1, 2020, to January 1, 2022.

We began a rulemaking process for the permanent adoption of the rule. Please visit our website for information and to participate in the rulemaking process: <https://ecology.wa.gov/Regulations-Permits/Laws-rules-rulemaking/Rulemaking/WAC173-443>

Statutory authority for adoption: Chapter 284, Laws of 2019 (Engrossed Second Substitute House Bill 1112) Hydrofluorocarbons Greenhouse Gas Emissions, chapter 70.235 RCW Limiting Greenhouse Gas Emissions, chapter 70.94 RCW Washington Clean Air Act.

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Chapter 284, Laws of 2019 (Engrossed Second Substitute House Bill 1112) was signed into law on May 7, 2019. It amends chapters 70.235 and 70.94 RCW. It established a deadline of December 31, 2019, for manufacturers, importers, and distributors of various products and equipment containing HFCs to submit initial reports to Ecology. It also sets restriction deadlines for specific end-use categories. This rule establishes the method for providing notice to Ecology by the deadlines. Additionally, the rule modifies the restriction deadline for the new and existing vending machine end-use category from January 1, 2020, to January 1, 2022.
