Ground Rules

- Be respectful - Keep an open, positive and receptive atmosphere
- One conversation at a time – Avoid side conversations
- Focus on the issue not the person
- Allow others to speak without interruption – be an Active Listener
- Manage your voice time – Full Participation
- All ideas are welcome – Build on other's ideas
- Accept that your way might not be the only way
- Phones – take calls outside the meeting room
- Address Issues and Concerns in the room
