

E-Cycle Washington turns 10

E-Cycle has recycled over **391 million pounds** of electronics

TVs

Laptops

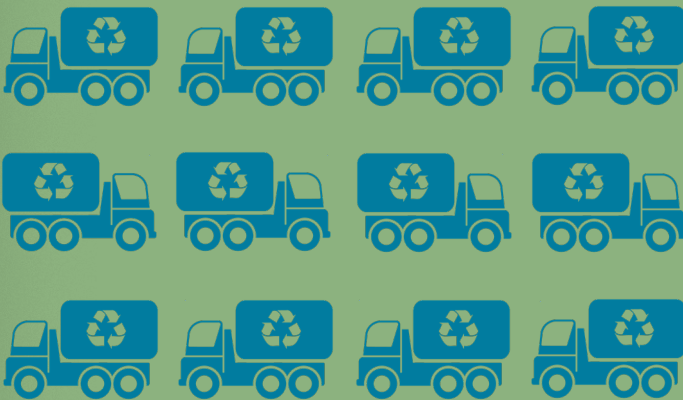

Monitors

Tablets

That's the weight of
12,000 recycling trucks

E-Cycle stopped more than

26 million pounds

of lead from going to landfills

What gets recycled?

74.7% TVs

17.3% Monitors

8% Computers

100% of Washingtonians have a recycling center in county

E-Cycle Washington takes TVs, computers, monitors, laptops, tablets, e-readers, and portable DVD players
