

## Water Quality Grant and Loan Administration Recipient Training

The Department of Ecology's Water Quality Program invites State Fiscal Year's 2015, 2016, 2017, and 2018\*\* grant and loan recipients to attend. These grants and loans include funding for stormwater (facilities, activities, and capacity grants), wastewater facilities, nonpoint source activities, onsite sewage system, and National Estuary Program projects. NEP training only in Tacoma.

### What will I learn?

Bring your project team and your laptop to this training. Learn how to use EAGL, Ecology's online grant and loan system. We will review how to:

- Read your funding agreement.
- Report project progress.
- Upload grant and loan deliverables.
- Request reimbursement for completed work.
- Giving your staff permissions/roles in EAGL.
- Meet your match requirements.

### Who should attend?

Grant and loan recipient staff who will be submitting grant and loan deliverables, progress reports, and requesting reimbursement for completed work should attend.

### When and where?

**Tuesday, July 11, 2017**      **SeaTac Airport Conference Center,**  
**Terminal 1, SeaTac Airport**      1:00 pm – 5:00 pm

**Wednesday, July 12, 2017**      **Big Bend Community College,**  
**Moses Lake**      8:30 am – 12:30 pm

The first half of each training will be a general presentation for all participants. The rest of the training will be separate presentations based on funding type and project category.

### How and when do I R.S.V.P.?

Please register to attend by **June 9, 2017** at [www.surveymonkey.com/r/JRQKGZ2](http://www.surveymonkey.com/r/JRQKGZ2). Information including agenda, training location, driving and parking directions will be sent to **registered** participants by email.

**\*\*THIS TRAINING ANNOUNCEMENT IS NOT A FUNDING OFFER.** The *State Fiscal Year 2018 Final Water Quality Funding Offer List and Intended Use Plan* will be available on July 1, 2017.
