or  
[Register to attend via webinar](#)

**March 14, 2017**

[Clark College](#)  
Building: [Penguin Union Building](#)  
Room: Pub 258 A/B  
1933 Fort Vancouver Way  
Vancouver, WA

**Meeting Purpose:** The Western Washington Phase I and Phase II permits expire on July 31, 2018. We are starting to identify issues of interest and necessary improvements for the Western Washington municipal stormwater general permits.

In October 2016, stakeholders provided [early input](#) to identify areas of the permits that need clarification or improvement. We intend to build and expand on these early thoughts at these meetings.

### Agenda

- 9:15 Sign-in
- 9:30 Welcome and Overview of the day
- 10:00 Watershed-scale Stormwater Planning & Source Control for Phase IIs
