RE: San Juan County Shoreline Master Program Update

Dear Ms. Beilon:

Attached is a copy of the San Juan County Ordinance 11-2017. This ordinance amends the previously adopted Shoreline Master Program (SMP) Ordinance 1-2016 to address the Department of Ecology's recommended changes. The County expects these changes to complete the SMP update process.

Thank you to your staff for their technical assistance during this process. They have been most helpful.

In accordance with the provisions of Washington Administrative Code (WAC) 173-26-110, a complete administrative record has been transmitted to Chad Yunge, Shoreline Planner/Permitter, in the Bellingham Field Office.

Best regards,

COUNTY COUNCIL
