Map 2C:
Proposed Shoreline Jurisdiction
San Juan County Shoreline Master Program Update

Legend:
- Proposed shoreline jurisdiction (see notes 1-3)
- Area included in shoreline jurisdiction
- Other water bodies (1988)
- Permanent associated wetlands
- Water wetlands (2000)
- Water wetlands (2009)

Notes:
1. For marine waters, shoreline jurisdiction extends waterward of the ordinary high water mark in San Juan County’s in-water jurisdictional boundary.
2. All marine waters waterward of the line of ordinary high water are included in shoreline jurisdiction.
3. Aerials, islands, rocks, and reefs that are not shown on this map are included in shoreline jurisdiction.
