No	Sego Jackson	Local Government - Snohomish County
Y	Suellen Mele	Zero Waste Washington
Y	Ted Silvestri	Jurisdictional Health Authorities
Y	Troy Lautenbach	Washington State Recycling Association

Project Objective: The definitions of Solid Waste, Recyclable Materials, and Recycling are the basis for all solid waste handling activities. These terms are defined in statute, but subject to some interpretation. The work group will focus on these terms and determine if they can be clarified or improved within the limits of existing statutes.

Meeting Objectives:

- Review meeting schedule
- Review group process to date
- Discussion on other definitions

Time	Topic	Additional Details
10 min	Welcome, Check in, Roll call	
5 min	Ground Rules	<ul style="list-style-type: none">• Turn off distractions (phone, email etc)• Success depends on participation• Avoid acronyms

		<ul style="list-style-type: none"> • Share air time • Share the why as well as the what • These are preliminary thoughts • Feedback loops with constituent groups
5 min	Review group process to date	
60 min	Review and discuss other definitions of solid waste/recyclables/recyclable materials. Evaluate pros/cons of different language and models.	<p>WAC 480-70-016(4) <i>Note: Consider for model language of “will consider factors including, but not limited to:”</i></p> <p>WAC 173-303-016 Identifying Solid Waste <i>Note: definition of ‘accumulated speculatively’</i></p> <p>173-303-017 Recycling processes involving solid waste</p> <p>EPA’s definition of solid waste under RCRA or Clean Air Act <i>Note: see attached document</i></p>
	Discuss as time permits	Continue discussion from previous meetings of the definition of “Solid Waste” or “wastes”
5 min	Wrap-up & Check-out
