OFFICE OF DIRECTOR

Re: City of Port Orchard Shoreline Master Program Amendment  
Conditional Approval

Dear Ms. Bellon:

The City of Port Orchard has received the Department of Ecology's Conditional Approval for the City's amendments to its Shoreline Master Program, subject to revisions as indicated by Ecology in correspondence dated January 24, 2018.

Pursuant to RCW 90.58.090(2)(e), the City accepts the revisions as requested by Ecology. An ordinance adopting the revisions will be prepared for the City Council, and will be forwarded to Ecology when approved.

We appreciate the dedicated efforts that have been made by Ecology staff Joe Burcar and Misty Blair to work with City staff and officials, and to bring the amendment to a successful and mutually-satisfactory resolution. Their assistance has been invaluable throughout the process.

Sincerely,
