

**Ecology Governmental Agreements  
June 30, 2018 (Phases 1 and 2)**

Overview: This is a summary listing of Ecology's active agreements with other governmental entities. Please note: as specified by law, this includes phase 1 and 2. Phase 1 included data from Ecology's EAGL (Ecology Administration of Grants and Loans) system, as entered by the recipients, and as of the first week in October 2017. Also included is phase 2, contract, accounts payable, and federal grants receivable agreements, as of the week of May 14, 2018. Phase 3, remaining and nonfinancial agreements, will be added December 31, 2018.

History: In 2017 the Washington State Legislature instructed the Department of Ecology to phase in an annual report listing all of the agreements Ecology has with other governmental entities. 2017 SHB 1010 (Ch 47, Laws of 2017; RCW 43,21A.150(2)). The agreements include contracts, grants, loans, memoranda of understanding, advisory or non-binding agreements, fund receivables for work performed by Ecology, leases, and additional required agreements. Once phase 3 is complete, this summary will list active agreements as of the first week of October, updated annually.
