Welcome to Water Quality’s 2020 Recipient Training

The Department of Ecology’s Water Quality Program invites recipients of funding from the WQ Combined Funding Program, with active agreements from State Fiscal Years 2018, 2019, 2020, as well as those who applied for SFY 2021 funding**, to attend our annual Recipient Training Webinar Series. Due to COVID-19 protection orders, the annual Recipient Training will be held entirely online.

9 Webinar Sessions Offered Over 4 Days (July 28-30 & August 5)

You will need to register separately for each session - Trouble Registering?
Contact Jessica at (564) 999-1267

The training materials will be available on the Ecology Website prior to the webinars

August 5, 2020 – 2:15pm-3:15pm
Agenda:
**This training announcement is not a funding offer.** You may be receiving this announcement because you applied for a SFY 2021 Funding Opportunity with Water Quality. Your project may or may not receive funding for 2021. We are extending this invitation to you now in the event that your application receives funding (Water Quality’s Final Offer List comes out in early July). Watch our website for notifications.
