

## **Model Development Technical Discussion Agenda:**

### **Vessel Movement Module and Rules Affecting Vessel Movements October 27, 2020**

1. Introduction (1:00 pm)
  - a. Welcome
  - b. Meeting scope
  - c. Discussion logistics
  
2. Discussion of Existing Rules (1:05 pm)
  - a. What comments do you have on our draft list of rules?
  - b. Are there additional rules you think need to be considered for inclusion?
  
3. Strategies for Modeling Affects of Existing Rules (2:00 pm)
  - a. In your understanding or experience, how do vessels change their behavior when faced with the circumstances described in these rules?
  - b. What strategies would you suggest for modifying simulated vessel behavior to represent compliance with these rules?
  
4. Wrap up and final thoughts (2:55 pm)
