

2022 Preliminary Tier Assignment, Alphabetic by Manufacturer

Below is the 2022 Preliminary Tier Assignment Schedule for Washington's Electronic Product Recycling Program. The purpose of the 2022 Preliminary Tier Assignment is to determine manufacturer fees owed to the Department of Ecology. These fees are used to cover Ecology's administrative costs for implementing the E-Cycle Washington program. Ecology identified the manufacturers listed below as the brand owners of electronic products covered by this program (computers, monitors, laptops, televisions, portable DVD players, and tablets).

Is Your Registration Up to Date?
