

RESOLUTION NO. 064-2011

**A Resolution of the Board of County Commissioners of Kitsap County, Washington,
to Adopt the Kitsap County Comprehensive Solid and Hazardous Waste
Management Plan**

WHEREAS, the Washington State Legislature, pursuant to the provisions of Chapter 70.95 RCW (Solid Waste Management - Reduction and Recycling), enacted legislation the purpose of which is to establish a comprehensive state-wide program for solid waste handling, and solid waste recovery and/or recycling which will prevent land, air, and water pollution and conserve the natural, economic, and energy resources of this state; and

WHEREAS, RCW 70.95.080 requires each county within the state, in association with the cities and towns located within it, to prepare a 20-year comprehensive solid waste management plan and to periodically update the plan according to Washington State Department of Ecology guidelines that interpret and expand upon the planning requirements of the Act; and

WHEREAS, the Washington Hazardous Waste Management Act (RCW 70.105.220-221) requires local governments to plan for hazardous waste, including used motor oil, generated within their jurisdictions by households and small quantity generator businesses, according to Washington State Department of Ecology guidelines; and

WHEREAS, pursuant to the provisions of RCW 70.95.080 and Interlocal Agreement KC 184-08 or Memoranda of Understanding between the Cities/Tribes and County, the following governmental entities have agreed among themselves by actions of the governing authorities of the respective parties that there should be only one solid and hazardous waste management plan to encompass the entirety of Kitsap County:

1. City of Bainbridge Island, a municipal corporation
2. City of Bremerton, a municipal corporation
3. City of Poulsbo, a municipal corporation
4. City of Port Orchard, a municipal corporation
5. The Suquamish Tribe, a federally recognized tribe
6. The S'Klallam Tribe, a federally recognized tribe
7. Navy Region Northwest, U.S. Department of the Navy; and

WHEREAS, the Kitsap County Comprehensive Solid and Hazardous Waste Management Plan (CSHWMP) establishes a comprehensive system of programs and facilities to reduce waste generation, increase recycling, direct valuable resources away from the landfill, maintain and improve levels of service in the solid and hazardous waste system, including the Olympic View Transfer Station, the Household Hazardous Waste Collection Facility, and Recycling and Garbage Facilities, as well as to continue to mitigate impact(s) of closed landfills; and

WHEREAS, the CSHWMP speaks to the needs of all citizens in Kitsap County in regards to solid and hazardous waste management and proposes action to satisfy those needs, and

WHEREAS, the CSHWMP identifies costs of carrying out the responsibilities and offers an implementation and financial plan, and

WHEREAS, the Kitsap County Solid Waste Advisory Committee and Solid Waste Division staff participated in each phase of the plan development, reviewed the drafts of the CSHWMP, and revised drafts based on comments received; and

WHEREAS, the Cities of Bainbridge Island, Bremerton, Poulsbo, and Port Orchard, and the Port Gamble S'Klallam Tribe and the Suquamish Tribe have found that it is in the interest of public health, safety and welfare, and have adopted the Final Draft of the CSHWMP pursuant to RCW 70.95.080,

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Kitsap County, Washington, that the attached "Waste Wise Communities: The Future of Solid and Hazardous Waste Management in Kitsap County" dated February 2011, is approved and adopted as the policy document for the management of solid and hazardous waste in Kitsap County.

APPROVED this 11 day of April 2011.
