

Narrative Description of Figure 1. Pie Chart

Pie chart with seven wedges. The wedges represent categories assigned to comments that were suggested by the public during the Cleanup Rule (WAC 173-340) Exploratory Rulemaking, February 14—May 11, 2018.

The number of comments received total 176:

1. **Cleanup Standards:** 83 comments
2. **Remedy Selection and Disproportionate Cost Analysis (DCA):** 29 comments
3. **Other Process and Administration:** 27 comments
4. **Initial Investigation, Site Hazard Assessment (SHA), and Listing:** 13 comments
5. **Institutional Controls, Periodic Review, Financial Assurances:** 10 comments
6. **Leaking Underground Storage Tanks (LUST) Process:** 8 comments
7. **Emerging Contaminants:** 6 comments
