NOTICE OF WITHDRAWAL

The Department of Ecology withdraws the following CR-101 filing:

- WSR 06-23-039 dated November 7, 2006 for rule making related to Chapter 173-219 WAC Reclaimed Water

In November 2006, Ecology started a rule-making effort to create a new chapter in the Washington Administrative Code (WAC) focusing on reclaimed water use. The Governor issued Executive Order 10-06 and 11-03 Suspending Non-Critical Rule Development and Adoption through December 31, 2012. The suspension included the rule-making for reclaimed water. Ecology intends to reactivate the rule-making process from the beginning to inform new policy-makers and participants.

After filing this notice of withdrawal, Ecology will immediately file a new CR-101 to resume rule-making towards adoption of Chapter 173-219 WAC Reclaimed Water.
