Ecology, EPA, Coast Guard responding to fire at BP Cherry Point Refinery to monitor environment

OLYMPIA – The Washington Department of Ecology, EPA and U.S. Coast Guard are responding to a fire at the BP Cherry Point Refinery near Blaine in Whatcom County to monitor and assess potential environmental impacts. A unified command involving all the parties involved in the response is being established at the refinery

More information about the incident and unified command will be provided as soon as it becomes available.
