Office of the Code Reviser,

House Bill 2151 reassigned the accreditation of private cannabis laboratories, starting on July 1, 2024, from the Department of Ecology to the Washington State Department of Agriculture. Because of this, Ecology is withdrawing the CR-101 rule announcement related to this program filed on June 21, 2023, as WSR #23-13-116.

Sincerely,

Annette Hoffmann
Program Manager, Environmental Assessment Program
