RE: *City of Aberdeen Comprehensive Shorelines Master Program Update*

Dear Director Bellon:

The City of Aberdeen has finally incorporated the changes recommended by the Department of Ecology and adopted the updated Shorelines Master Program. A copy is attached for your review and reference.

I would like to give a huge thank you to two of Ecology's staff members, Kim VanZwalenburg and Rick Mraz. What wonderful assets to Ecology. They have been extremely valuable and helpful to us during our update process. We could not have accomplished this much without their knowledge and assistance.

Thank you again and we look forward to working with you in the future.

Please contact me at (360) 537-3238 should you have any questions or concerns.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Scott".
