

**Technical Support Document
For
The Asphalt Plant
(Portable and Stationary)
General Order
10AQ-GO-01 Amendment 1
April 18, 2011**

On April 14, 2011, 10AQ-GO-01 was amended. The three amendments were administrative and public review was not required. The changes are discussed below:

- 1) Findings number 7 was renumbered Findings number 8 and the process to use non-road engines was clarified.
- 2) Approval Condition 1.8 was amended to clarify that the sulfur content of all fuels authorized under this general order must be less than or equal to 0.0015 percent sulfur by weight.
- 3) Approval Condition 5.2 was revised to remove the capital letters in the words “stationary asphalt plant”.
