		fects, including any changes in ex	isting rules:		
Purpose of the proposal and its anticipated effects, including any changes in existing rules: The rule has not been updated since 1998 and needs to reflect current law, technology, and processes. The rule also contains outdated information about Ecology programs and staff, which will be made current.					
The purpose of this chapter is to implement the requirements of the Public Records Act.					
This update will	modernize the rule to reflect	current law, technology, and proc	cesses.
