

February 2025 Biosolids Facility List

Facility List

This list identifies what section(s) of the permit each facility is subject to. Ecology has identified the permit sections that apply based on operations and the Notice of Intent submitted by the facility in 2020. Contact your regional coordinator with any questions.

Note: Facilities that export biosolids into the jurisdiction of the State of Washington may be subject to fees and permit requirements.

Permit #	Facility Name	Permit Section(s)	Region
BT8054	33575 Park Lake Lag	Baseline	ERO
BA0037192	ABERDEEN WWTP	Baseline, Active Biosolids	SWRO
