

**Start Here**

**Permit Not Required**

Are you a Treatment Works Treating Domestic Sewage (TWTDS)?

**Baseline**  
(All facilities require coverage under the baseline section)

*Facilities operating before September 4, 2020 and subject ONLY to Baseline section are not required to submit an application.*

Your facility ONLY manages biosolids by:

- ✓ Landfilling, or
- ✓ Incineration, or
- ✓ Sending to another permitted facility for further treatment,

AND in no case above do you produce or send any biosolids to any site or facility for application to the land, or to be sold or given away for any use, without further treatment.

Do you manage septage ONLY?  
*Note: this does NOT include facilities that treat septage to biosolids standards, or that mix septage with biosolids.*

Apply for coverage under **Active Septage Management**

Do you operate a lagoon?

Will you need to remove solids during the next 5 year permit cycle?

Apply for coverage under **Active Biosolids Management**

Apply for coverage under **Active Biosolids Management**

**Baseline ONLY** coverage required

*Facilities operating before September 4, 2020 and subject ONLY to Baseline section are not required to submit an application.*
