WATER QUALITY PROGRAM

## Treatment Information

In 2015 Herrold Fish & Oyster Company did not treat any shellfish beds for the control of *Zostera japonica*.

## Monitoring Results

No treatments occurred in 2015 so no monitoring was conducted.

## Signature Requirements

*I certify under penalty of law, that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of those persons directly responsible for gathering information, the information in the report is, to the best of my knowledge and belief, true, accurate, and complete and will be updated as necessary. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment of knowing violations.*
