
AN ACT Relating to

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Sec. 1. RCW 70A.200.020 and 2015 c 15 s 1 are each amended to read as follows:

RCW Caption: Declaration of purpose.

(1) The purpose of this chapter is to accomplish litter control, increase waste reduction, and stimulate all components of recycling and composting throughout this state by delegating to the department of ecology the authority to:

(a) Conduct a permanent and continuous program to control and remove litter from this state to the maximum practical extent possible;

(b) Recover and recycle waste materials related to litter and littering;

(c) Foster public and private recycling of recyclable materials and composting of compostable materials;

(d) Increase public awareness of the need for waste reduction, recycling, litter control, and composting;

(e) Coordinate the litter collection efforts by other agencies identified in this chapter; and

(f) Coordinate and expend funds collected under chapter 82.19 RCW with priority given to products identified under RCW 82.19.020 and solely for the purposes of waste reduction, recycling, composting, and litter collection and control programs.

(2) It is further the intent and purpose of this chapter to: (a) Create jobs ~~for employment of youth~~ in litter cleanup and related activities; (b) stimulate and encourage recycling; and (c) encourage proper and appropriate composting. This program shall include the compatible goal of recovery of recyclable materials to conserve energy and natural resources wherever practicable. Every other department of state government and all local governmental units and

agencies of this state shall cooperate with the department of ecology in the administration and enforcement of this chapter. The intent of this chapter is to add to and to coordinate existing recycling and litter control and removal efforts and not terminate or supplant such efforts.

Sec. 2. RCW 70A.200.140 and 2022 c 297 s 963 are each amended to read as follows:

RCW Caption: Waste reduction, recycling, and litter control account—Distribution.

***** CHANGE IN 2025 *** (SEE 5167-S.SL) *****

(1) There is hereby created an account within the state treasury to be known as the waste reduction, recycling, and litter control account. Moneys in the account may be spent only after appropriation. Expenditures from the waste reduction, recycling, and litter control account shall be used as follows:

(a) Forty percent to the department of ecology, primarily for use by the departments of ecology, natural resources, revenue, transportation, and corrections, and the parks and recreation commission, for litter collection programs under RCW 70A.200.170. The amount to the department of ecology shall also be used for a central coordination function for litter control efforts statewide; to support ~~jobs employment of youth~~ in litter cleanup as intended in RCW 70A.200.020, and for litter pick up using other authorized agencies; and for statewide public awareness programs under RCW 70A.200.150(7). The amount to the department shall also be used to defray the costs of administering the funding, coordination, and oversight of local government programs for waste reduction, litter control, recycling, and composting so that local governments can apply one hundred percent of their funding to achieving program

goals. The amount to the department of revenue shall be used to enforce compliance with the litter tax imposed in chapter 82.19 RCW;

(b) (i) Twenty percent to the department for local government funding programs for waste reduction, litter control, recycling activities, and composting activities by cities and counties under RCW 70A.200.190, to be administered by the department of ecology;

(ii) any unspent funds under (b) (i) of this subsection may be used to create and pay for a matching fund competitive grant program to be used by local governments for the development and implementation of contamination reduction and outreach plans for inclusion in comprehensive solid waste management plans or by local governments and nonprofit organizations for local or statewide education programs designed to help the public with litter control, waste reduction, recycling, and composting of primarily the products taxed under chapter 82.19 RCW. Recipients under this subsection include programs to reduce wasted food and food waste that are designed to achieve the goals established in RCW 70A.205.715(1) and that are consistent with the plan developed in RCW 70A.205.715(3). Grants must adhere to the following requirements: (A) No grant may exceed sixty thousand dollars; (B) grant recipients shall match the grant funding allocated by the department by an amount equal to twenty-five percent of eligible expenses. A local government's share of these costs may be met by cash or contributed services; (C) the obligation of the department to make grant payments is contingent upon the availability of the amount of money appropriated for this subsection (1) (b); and (D) grants are managed under the guidelines for existing grant programs; and

(c) Forty percent to the department of ecology to: (i) Implement activities under RCW 70A.200.150 for waste reduction, recycling, and composting efforts; (ii) provide technical assistance to local governments and commercial businesses to increase recycling markets and recycling and composting programs primarily for the products taxed under chapter 82.19 RCW designed to educate citizens about waste reduction, litter control, and recyclable and compostable

products and programs; (iii) increase access to waste reduction, composting, and recycling programs, particularly for food packaging and plastic bags and appropriate composting techniques; and (iv) for programs to reduce wasted food and food waste that are designed to achieve the goals established in RCW 70A.205.715(1) and that are consistent with the plan developed in RCW 70A.205.715(3).

(2) All taxes imposed in RCW 82.19.010 and fines and bail forfeitures collected or received pursuant to this chapter shall be deposited in the waste reduction, recycling, and litter control account and used for the programs under subsection (1) of this section.

(3) Not less than five percent and no more than ten percent of the amount appropriated into the waste reduction, recycling, and litter control account every biennium shall be reserved for capital needs, including the purchase of vehicles for transporting crews and for collecting litter and solid waste. Capital funds shall be distributed among state agencies and local governments according to the same criteria provided in RCW 70A.200.170 for the remainder of the funds, so that the most effective waste reduction, litter control, recycling, and composting programs receive the most funding. The intent of this subsection is to provide funds for the purchase of equipment that will enable the department to account for the greatest return on investment in terms of reaching a zero litter goal.

(4) Funds in the waste reduction, recycling, and litter control account, collected under chapter 82.19 RCW, must be prioritized for the products identified under RCW 82.19.020 solely for the purposes of recycling, composting, and litter collection, reduction, and control programs.

(5) During the 2021-2023 fiscal biennium, Washington State University may use funds in the waste reduction, recycling, and litter control account, collected under chapter 82.19 RCW, to conduct an organic waste study.

(6) During the 2021-2023 fiscal biennium, and as an exception to the distribution of expenditures otherwise required in this section, the department of ecology may use funds in the waste reduction, recycling, and litter control account to continue a series of food waste reduction campaigns, to continue to invest in litter prevention campaigns, to conduct a recycling study, and to increase litter control on state highways.

Formerly RCW 70.93.180.]

Sec.3 RCW 82.19.020 and 1992 c 175 s 4 are each amended to read as follows:

RCW Caption: Application to certain products.

To accomplish effective litter control within the state and to allocate a portion of the cost of administering this chapter to those industries whose products, including the packages, wrappings, and containers thereof, are reasonably related to the litter problem, the tax imposed in this chapter shall only apply to the value of products or the gross proceeds of sales of products falling into the following categories:

- (1) Food for human or pet consumption.
- (2) Groceries.
- (3) Cigarettes and tobacco products.
- (4) Soft drinks and carbonated waters.
- (5) Beer and other malt beverages.
- (6) Wine.
- (7) Newspapers and magazines.

- (8) Household paper and paper products.
- (9) Glass containers.
- (10) Metal containers.
- (11) Plastic or fiber containers made of synthetic material.
- (12) Cleaning agents and toiletries.
- (13) Nondrug drugstore sundry products.

(14) Effective January 1, 2028, the tax imposed in this chapter shall also apply to the value of products or the gross proceeds of sales of products falling into the following categories:

(a) Construction products.

(b) Motor vehicle products.

[1992 c 175 s 4; 1971 ex.s. c 307 s 13. Formerly RCW 70.93.130.]
