

Everett Smelter Lowland Cleanup Areas

Group A

A1 and A2 are small areas. A1 spans Marine View Drive just south of the interchange with Pacific Highway. A2 is a small section of land off the corner B2 south of Riverside Road. One corner touches the riverbank.

Group B

B1 extends south from Pacific Highway along the east side of Marine View Drive. B2 is east of B1, between the river and the railroad. It is a triangle that extends from Pacific Highway to just past Riverside Road. B3 is a smaller rectangle bounded on the west by the railway, and all other sides by C1.

Group C

C1 is south of B2. It extends from the railway to the river, reaching around B3.

C2 and C3 are narrow rectangles along the river side of Marine View Drive, north of Pacific Highway.

C5 is a rectangle south of C1, bordering the railway property.

There is no C4.

Group D

The D areas are all small areas on the river's shoreline. D1 is just north of Pacific Highway. D4 and D2 are next to B2, south of the highway. D3 is farther south, next to C1.
